

## JILL MAY

Jill May has 25 years' executive experience in investment banking, concentrated on M&A and more recently senior roles in Group Strategy. She has broad knowledge of the investment and wholesale banking, asset management and private banking industries. She has current Board experience in listed, public, regulated and not for profit sectors. Jill has also spent five years as a Panel member and regulatory decision maker on CMA merger and market enquiries across diverse sectors, and in 2016 completed an 21 month enquiry into Retail Banking and SME lending in the UK.

Jill has a keen interest in regulation, public policy and consumer protection reflecting her recent work, alongside a strong interest in economics, business, markets and financial services.
